BEP Enrollment

We are accepting enrollments until October 15, 2025. Please ensure all forms are properly completed to ensure a smooth process. Your chapter will not be able to move forward if your enrollment is not completed in its entirety.

Spooktacular Meeting / Game Night

Fun should be the theme as we get to know our youth. Create a night that is about laughs, giggles and making memories, while candy is at stake. This should serve as a pregame for what lies ahead.

Creating cards / Writing letters

This is a fun activity where we ask ambassadors to choose a person or organization to write to and to show their appreciation. This will allow us to assist with grammar, and properly addressing an envelope.

Thanksgiving Dinner

This will create an opportunity for all the chapters to come together to fellowship, while picking up essentials for Thanksgiving dinner.

Meaning of Giving

Ambassadors choose a person or organization to donate to. The donation should be to a person /group/organization in need or who helps those in need. We want our youth to understand the power of giving.
