

On behalf of The Butterfly Effect Project, we are happy to invite you to begin volunteering with us. Below are the steps that you will need to take in order for you to join our team of volunteers.

- The first phase to become a volunteer is scheduling a complete background-check at one of our partnering facilities. Appointments can be made online at <https://uenroll.identogo.com/workflows/156HYX>
- You will need to bring two forms of ID and at least one must be a photo ID. A list of acceptable forms of ID are on the Identogo website. When you make your appointment, you will need the following information:

Screening Information

- Service Code: **156HYX**
- Agency ID: **NYM00094**

All fees pertaining to the background check are covered by New York State; **volunteers will not incur any cost**. Results will be shared with no one other than The Butterfly Effect Project. Results may take up to a week. Please make your appointment as soon as possible. You do not have to wait until after your training to do this.

- The final phase is Volunteer Training. Training is approximately a 1½ hour on site and will be scheduled by our director of training or myself.

Finally, we hope your volunteer experience is fulfilling for both you and the girls/boys. Please do not hesitate to contact me with any questions or concerns. I look forward to you being a part of The Butterfly Effect Project as one of our valued volunteers.

Best,

Tijuana
